*Torn wristbands are invalid. Please plan with your spouse who will wear each wristband.

3. Find your child's designated classroom by following the color-coded map included. The classrooms will also be marked by color-coordinated banner flags.

*Parents that have both kids AND infants are asked to drop off kids at the Cooley Pavilion FIRST and infants at the Red River Entrance LAST.

4. After arriving at the classroom entrance, your child will be greeted by a KidStuff teacher. Once your child is escorted into the classroom, you may then proceed to service.

*Parents with infants will be asked to sit in a designated "Infant Parent Seating" within the Red River Entrance. All other parents will enter the South Entrances near the Cooley Pavilion.

CHILDREN CHECK-OUT PROCEDURES

1. Check-out will occur at the same designated classrooms used for drop-off.

*Parents in "Infant Parent Seating" will need to pick up infants FIRST. Parents may then proceed to the Cooley Pavilion to pick up older kids.

2. Parents need to make sure proper wristbands match the child's wristband when picking child up after service.

* Torn wristbands are invalid. Please plan your pick-up strategy when putting on your wristbands.

3. Please be patient as we coordinate check-out for all children in each of the designated classroom entrances.

4. KidStuff leaders will be present to guide the process and ensure wristbands match.

5. After confirming the bands match, a KidStuff leader will remove the bands and direct the family to the nearest building exit.
