

READING PLAN

The following pages include a suggested reading plan, though you are welcome to use any plan you'd like to.

ONE YEAR PLAN:

To go through the entire Bible in one year, complete the readings in all four columns each day. The list of readings begins and ends with readings appropriate for the opening and closing of the year.

TWO/FOUR YEAR PLAN:

To slow down your reading, simply select fewer columns. For example, for a two year plan, choose two of the columns for this year and then the remaining two columns next year.

This reading plan is grouped into (1) Psalms & Wisdom Literature, (2) the History of Israel, (3) Chronicles and Prophets, and (4) the Gospels and Epistles.
